The abstract should be written in **English** on **one A4 page** and contain a brief, clear conclusion statement. All abbreviations must be defined in the text.

This example shows the layout required for abstracts. Use single spacing throughout, and leave 2.5 cm margins on the sheet. Please use the "**Times New Roman**" font (**12 pt**).

The title, authors, affiliations and addresses should be centred. Use **bold** capital letters in the title. Underline the name of the presenting author. Leave **one** space between the title and authors and between authors and addresses. Leave one space between the addresses and the text. The affiliation should include the institution, department, and country in this sequence. The text itself should be justified.

Figures can be included, but they must fit into the total printing area.

References are written as in this model [1], using "**Times New Roman**" font (**10 pt**). Leave **one** space between the text and references. Add at the end of the abstract, after the references, the *Acknowledgements* using the "**Times New Roman**" font (**10 pt**).
